## **Holiday Deliveries/Inclement Weather**

Due to November and December being short months some of the deliveries for December will not be made until January. MBM is doing the best they can to deliver to all schools in a timely fashion

It is that time of the year when weather can get bad and schools close. MBM/FFM trucks will still be attempting deliveries. Please work with MBM/FFM on appointments in the event of bad weather so all deliveries can be made in a timely fashion.

### **News Flash**

The state of Missouri has been issued an inventory waiver from USDA. We will no longer require the December 31 inventory from those LEAs that are self-operated (do not contract with a Food Service Management Company). For those LEAs that contract with a Food Service Management Company a December 31 inventory report will be sent to the LEA after the first of the year.

## **Temporary Shortage**

We are temporarily out of stock on Bakery Mix. We are expecting a load to be delivered to the warehouse in February.

## **Food Safety Inspection Service**

The web address in December's Commodity Shelf Newsletter article about subscribing to Food Safety Inspection Service (FSIS) food recall has been corrected. In order to receive e-mail notifications of food recalls please go to [www.fsis.usda.gov/oa/news/subscribe.asp](http://www.fsis.usda.gov/oa/news/subscribe.asp). After subscribing the individual should check their e-mail daily and communicate the recall information to the food service director/manager.
